## 2014 Performing Artist Confirmation Application

Thank you for your interest in performing at the Tacoma Farmers Market! For programmatic reasons we ask that you fill out this application, which allows us to schedule you on the most appropriate days.

1. Mark the days you are interested in appearing at the market. The Market Manager will contact you a few weeks prior to the event date to solidify your performance dates and times.
2. Your signature on this form confirms your ability to perform on those selected dates and we appreciate at least a one week notice if you cannot make the performance. We understand that things come up but this gives us an opportunity to fill that time slot to another artist.
3. The requesting organization or artist, you, must provide your own equipment unless prior arrangements have been made with the Market Manager to use market equipment (e.g. we do have a sound system, a portable stage, etc...). No microphones/electronically enhanced performances are permitted without prior approval from the Market Manager. (***South Tacoma FM does NOT have electricity, all South Tacoma Performances will have to be acoustic.***)
4. Performing artists must honor all Market Rules where applicable. You will find a copy of these on the vendor's page of our website.
